The purpose of this letter is to confirm to you that Virgo Valves has satisfied the requirements of Chevron's Vendor Approval Program. This approved status will remain in effect until the first quarter of 2011 at which time Chevron plans to again review the performance of your products. During this time Chevron may conduct random inspections of your facilities and / or products as deemed necessary.

Listed above are the major suppliers for Virgo Valves and the other suppliers on the Virgo's vendor listed were not audited but are approved per the audits performed and maintained by Virgo Valves.

Any changes in the sales/distribution network, location of manufacturing/assembly facilities, or material sources of major pressure containing components shall be reported to Chevron's Energy Technology Company within 20 days of the change. Failure to do so could result in being removed from the Approved Valve Manufacturer's List.

If you have any questions or comments, please do not hesitate to contact me at (713)-754-4256.

Sincerely,

A handwritten signature in black ink, appearing to read "Nitin R Parekh".
