WHOM SO EVER IT MAY CONCERN

Date: 8th August, 2006

Dear Sirs,

This is to confirm that M/s Virgo Engineers Limited, India have been in approved vendor list of PDO for the supply of API 6D ball valves, for both Pipeline and On-plot services, sweet and sour since 1998.

They have supplied valves against direct orders of PDO as well as through authorized contractors. We have bought and installed valves of various sizes / pressure ratings upto 24" -600#, 12"-1500# to our Shell MESC specifications in standard materials like CS / SS & special / exotic materials such as Duplex/ Super Duplex /Incoloy.

PDO has large installation of Virgo valves over last 8 years and is satisfied especially with the performance of critical service valves in exotic materials such as Duplex, Incoloy and Incoloy Weld-overlays etc.

Virgo remains to be one of our regular suppliers of ball valves. We are quite satisfied with their manufacturing facility, quality system and commitment to Engineering & Customer. In addition we are considering enhancing Virgo range of approval with PDO and have also recommended Virgo to be included in Shell approved vendor list.

Salim M H Al-Harthi
